Acting Chief Executive Officer- Chris Teitzel
City of Greater Shepparton
Welsford Street
Shepparton 3630

Dear Chris,

Our organisation has considerable contact with council departments and officers. Most of our contact centres on planning and environmental issues which can be both complex and challenging at times.

In both these areas enforcement is a critical role in ensuring both planning requirements are being adhered to and illegal activities prosecuted. We believe that COGS is at present operating without enforcement officers, a situation which presents an unacceptable risk and concerns us. Could you please review this situation?

Yours sincerely

John Pettigrew

GVEG President

Protecting the environment for generations to come
